Miss Hill asked the ladies what they would do if they would do if they had \$500.00 to spend, Leda said that if she had any money to spend she would buy a juke box for the kids so they would not have to go to town and pay \$1.75 for a dance where they only use a juke box, and the teenagers have no place to go except walk the roads.

Another idea was to start a library but this can be started by Board Council, where they apply for a grant, it can be brought to the Council.
