

Important Notice

Natural Gas Installation

Yellek Trail

June 11, 2019 - The Natural Gas main line installation to the end of Yellek Trail (heading west) will start in mid July 2019.

If you are a homeowner in the Nova Beaucage or Yellek areas (from 288 Nova Beaucage to 1115 Yellek Trail) who wishes to have services installed, you should have your HVAC Contractor register your application as soon as possible.

Please be advised there may be an additional cost for excess service line footage (over and above 30m from the property line to the primary residence). Should this occur, assistance will be provided to the primary residence only (not cottages).

**Should you have any questions or concerns, please contact:
Tom Lambert at 705-753-6985 e-mail thomasl@nfn.ca**
