

Aanin Parents and Guardians of Nbisiing Redhawk students,

Schools in Ontario, including Nbisiing Secondary School, have been asked to plan for the following scenarios with respect to the reopening of schools in September 2020:

1. Regular school day routine with enhanced public health protocols,
2. Modified school day routine based on smaller class sizes, cohorting and alternative day or week,
3. At-home learning with ongoing enhanced remote delivery.

In order to plan for all scenarios and to ensure that appropriate resources and supports, including transportation, are in place, we are requesting that you please complete a survey for each child in your family attending Nbisiing Secondary school in September 2020. The information collected through this survey is vital as once an option is selected for your son(s)/daughter(s), parents/guardians **may** not be able to alter this choice for a lengthy period of time. This is due to health and safety protocols as crafted based on the Government of Ontario and the Public Health units' guidance, including reduced class sizes and cohorts that must be adhered to.

Thank you for your continued support and understanding.

Please follow the link below to access the survey: <https://forms.gle/uETqY2sx7GcReFsn6>
