

ORGANIC WASTE DEPOTS

There are three (3) Organic Waste Depots located on Nipissing First Nation in the communities of Garden Village, Jocko Point, and Yellek.

A Permit is required to access the Organic Waste Depots. Please contact Public Works at (705) 753-4167 to receive a Permit at no cost.

The Organic Waste Depots are for the disposal of **Organic Waste only**, such as grass clippings, leaves, compost, and untreated wood debris. No other waste types are permitted to enter these locations such as plastics (bags, tarps), glass, metals, treated lumber, railroad ties, textiles, furniture, appliances, mattresses and any other non-compostable waste types.

Garden Village: located off Ted Commanda Drive near the old Landfill site (**Gated, key required**).

Jocko Point: located off Jocko Point Road next to the Fire Hall

Yellek: located off Jocko Point Road next to the Fire Hall

Location of all three Organic Waste Depots
