

COMMUNITY NOTICE

Enbridge Easement Survey & Geo-Technical Work

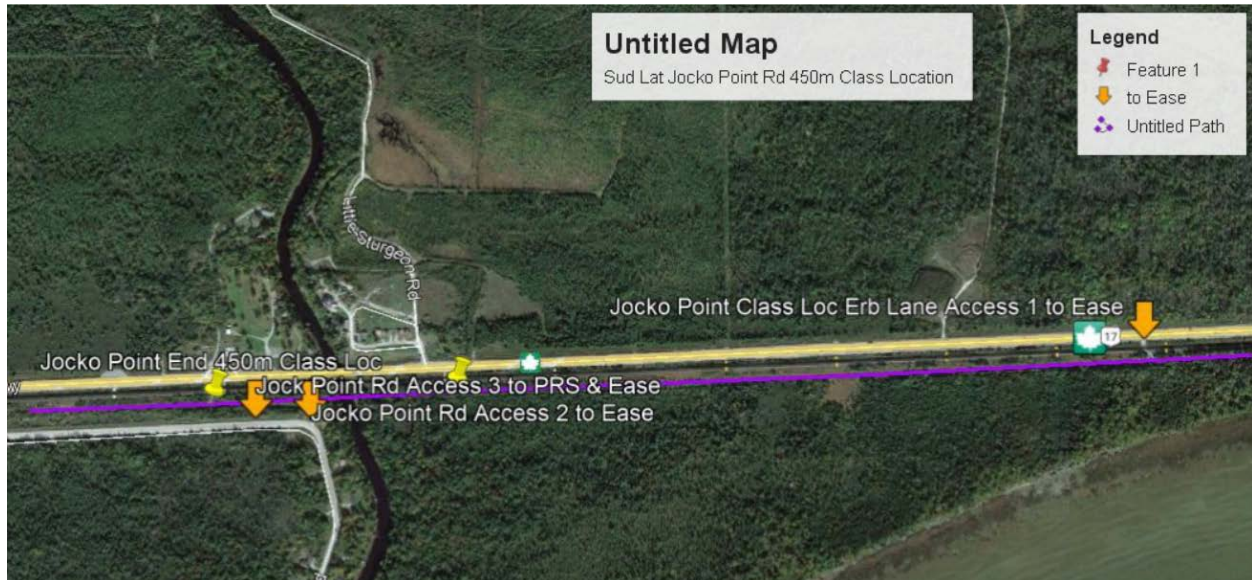

September 22, 2021 – This notice is to advise community members that surveying and geo-technical work will take place along Enbridge’s easement across Nipissing First Nation lands between Sturgeon Falls and North Bay.

J. D. Barnes Limited will complete survey work the first week of October 2021 while the geo-technical work will be completed in November 2021. The following maps illustrate the areas where this activity will be taking place:

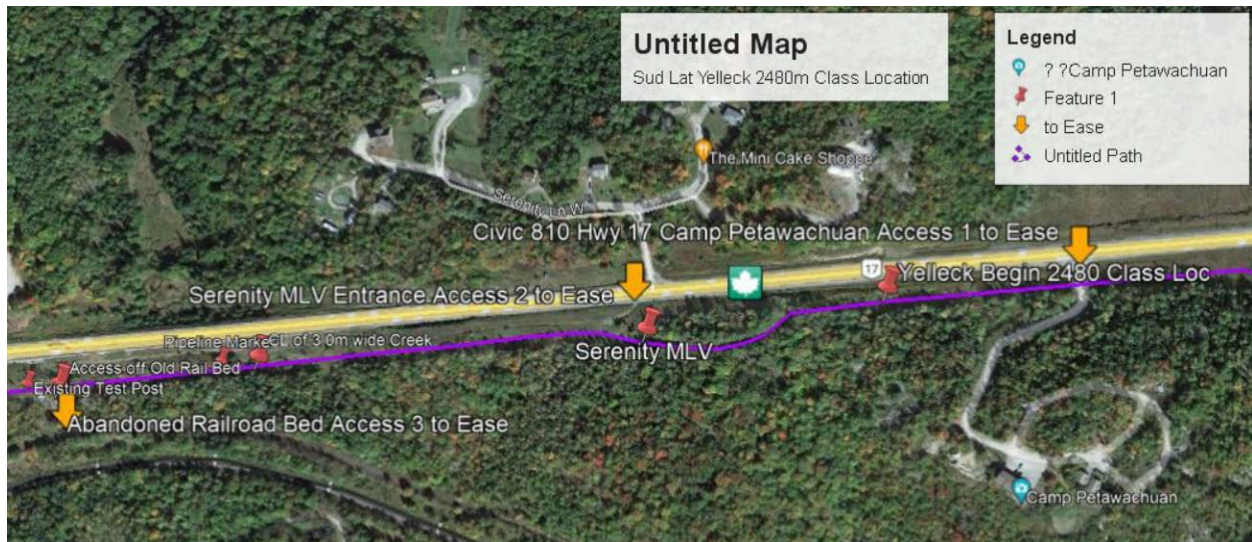

Veteran’s Lane

Jocko Point

Yellek / Serenity Lane

Should you have any questions or concerns about this notice or the work that will be conducted, please contact:

Cathy McLeod, Land Manager
