

COMMUNITY NOTICE

New Roadway Extension Clearing - Yellek Trail

September 22, 2021 – This notice is to advise community members that brush clearing will begin on Monday, September 27, 2021 in preparation for the extension of the west end of Yellek Trail.

Sturgeon Falls Brush and Contracting will be on-site to complete the work, which is expected to take approximately one week.

SCOPE OF WORK:

- Cut and remove all existing trees/brush/vegetation within Yellek Trail extension corridor.
- Corridor shall be no less than 66 feet (20 meters) wide.
- Corridor shall extend Yellek Trail Road 1.2 km (1,200 meters) beyond the existing roadway corridor.

Please refer to the map on page 2 to view the circled area where Yellek Trail will be extended.

Should you have any questions or concerns about this notice, please contact:

Steve Doucette, Public Works Manager
705-753-4167 or steved@nfn.ca

IMPORTANT NOTE: Applications for a lot in this area will not be accepted until such time as there is a proper drivable road and hydro service to the lots. A community notice will be issued to inform the membership when the application process is open.
