Semo Road Closed at Ted Commanda Drive on December 15th

December 13, 2021 – On Wednesday, December 15th, Public Works will close a small section of Semo Road in Garden Village to perform repairs to a leaking water line.

Semo Road will be closed from the intersection of Ted Commanda Drive to the Nbisying Nishnaabe Gaa bi-Naadzwaad Gamig (Culture & Heritage Centre). All traffic will need to use Sweetgrass Miikan as a detour while the work is performed. Please see the detour map below.

Public Works anticipates the road to be closed for the full day to complete the repair. We will post an update when Semo Road reopens.

Should you have any questions or concerns about this repair work or road closure, please contact:

Steve Doucette, Public Works Manager
705-753-2050 ext. 4001 or steved@nfn.ca
