Friday January 13, 2023

Nipissing First Nation

Re: Precautionary Boil Water Advisory

The water system in the Community of Duchesnay within Nipissing First Nation has been compromised on Friday January 13, 2023, due to the Hydro-fracting activities within the production wells.

The water quality due to this activity has been determined to not meet the desired quality and therefore as a precaution it is recommend that the community members not consume the water form the Duchesnay Communal Water System.

Based on the recommendation from the Water Treatment Plant Operator, I am authorizing a Boil Water Advisory on the Communal Water System within the Community of Duchesnay until further notice.

Scott McLeod
Gimaa (Chief)
