Re: Schedule of Blasting Operations in September: Monday to Friday, 8:00 a.m. to 7:30 p.m.

To Whom it May Concern,

Nipissing-Miller is writing you to provide you with notice that blasting operations will be conducted during the month of September from Monday to Friday, 8:00 a.m. to 7:30 p.m.

Blasts will be conducted as several smaller rock blasts to ensure safety and minimal ground vibrations. The blasts will be conducted in a manner to prevent fly rock, all blast locations will be controlled/matted and Englobe will be on site for vibration monitoring. If anything changes you will be notified immediately.

Please see the attached Blasting Safety Plan for all advanced warning protocols and procedures.

If you have any questions or concerns, please contact me at your earliest convenience.

Yours truly,

Malcolm Ruddy
Senior Superintendent
