Community Notice: Election Sign Vandalization/Destruction

A Message from NFN's Electoral Officer

Please be advised that I have received complaints concerning vandalism and destruction of Nipissing First Nation election campaign signs in our community. Please be aware that this is a criminal offence under the *Canadian Criminal Code*, as it is considered destruction of private property, and must stop. The Anishinabek Police Authorities have been alerted to this issue.

Miigwetch

Fred Bellefeuille, Electoral Officer
