## Community Notice: Soil Remediation Project Information Visits & Open House

Residents of Nipissing First Nation who wish to arrange a private meeting with members of the Soil Remediation Project team are encouraged to contact the Community Infrastructure Department at (705) 753-2050 ext. 1285.

These meetings offer an opportunity to receive an information package about the Soil Remediation Project and to ask questions directly to the project team and technical staff. Meetings can take place in your home, at the Duchesnay Hall, or at the Administration Building in Garden Village.

Residents are also encouraged to attend an open house information session on **Monday, October 7 from 6:00pm to 8:00pm** at the **Nbisiing Secondary School Gymnasium**. Members of the project team and technical staff will be in attendance to provide more information and answer questions from community members. Light refreshments will be provided.

For information about the project background and current status, please visit [nfn.ca/soil-remediation-project](https://nfn.ca/soil-remediation-project). General inquiries can be sent to [projectinfo@nfn.ca](mailto:projectinfo@nfn.ca) and will be directed to the appropriate contact to follow up.
